REACH:

Since COMINO HOLDING LTD neither manufactures nor imports chemicals, we are a so-called "downstream user" within the meaning of the REACH Regulation. Thus, we are neither subject to registration obligations according to REACH nor the obligation to create safety data sheets. However, in order to ensure our customers a continuous supply of reliable and safe products, we ensure that our suppliers meet the requirements regarding chemical substances and materials, and thus no substances from the Candidate List of Substances of High Concern (SVHC) are used for the manufacture of our products. In doing so, we adhere to the obligations of the "ECHA guidelines for downstream users". <https://echa.europa.eu/candidate-list-table>
